BOOKS

AgSkills by NSW Department of Primary Industries	\$29.95
--	----------------

A basic guide to some of the skills and practices of bee production. Easy to follow for those new to bee keeping, this book contains step-by-step instructions, diagrams and full-colour pictures. Includes how to maintain hives, use a bee smoker, catch a swarm, remove and extract honey, health and pests in the hive, buying equipment, and working safely with bees.

Prices include GST. Packing, freight and insurance are extra. All prices & details are subject to change. Printed on recycled paper.
