

## WHY INSULATE?

Insulation, along with draught sealing, is often the single biggest energy saving and cost effective measure that is available to the homeowner without undertaking major renovations. Insulation can save 45-55% of heating.

The new building code requirements for Victoria are a total of R3.2 in ceilings and R1.7 in walls.

## CLEAR COMFORT

All the benefits of double glazing at a fraction of the cost. A transparent plastic membrane provides an insulating film on existing windows. All you need to do is cut to size and tape to your window frame and heat shrink the film with a hairdryer.

MODEL	DIMENSIONS (mm)	RRP
Mini Kit	1.2m x 0.8m + Tape	\$26.50
Super Kit	1.6m x 10m + Tape	\$180.50

## CONCERTINA FOIL BATTS

Concertina foil batts are excellent for use in roofs, walls and floors. They stop 97% of summer radiant heat, are asthma friendly, vermin free and fire safe. Can be used in conjunction with bulk insulation.

BATT SIZE (mm)	"R" VALUES	M <sup>2</sup> PER PACK	PRICE PER M <sup>2</sup>	RRP
1200 x 450	2.2 (Timber floor)	13.5	\$5.5	\$74.25
1200 x 600		18		\$99
1350 x 450	2.4 (Walls)	15.2	\$5.5	\$83.60
1350 x 600		20.25		\$111

## RENSHADE

Renshade perforated aluminium foil insulation operates as a radiant heat barrier for windows. Benefits are 85% reduction in radiant heat flow, less glare and damage to indoor furnishings and flooring. Reduces the need for artificial cooling and double glazing. It is easily removed and reusable. External view maintained with total privacy during daytime.

MODEL	DIMENSIONS (mm)	RRP
Renshade	1.35 x 5m roll	\$81.00
	1.35 x 10m roll	\$162.00

## SILVERBATTS WAVE CORE MAX

Silver Batts Wave Core Max are aluminium foil sheets with air pockets, reflecting up to 100% of radiant heat. For walls and ceilings, Silver Batts Wave Core Max are especially effective in summer.

BATT SIZE (mm)	"R" VALUES	M <sup>2</sup> PER PACK	PRICE PER M <sup>2</sup>	RRP
1200 x 450	6 in summer 2.5 in winter	8.64	\$12.50	\$108
1200 x 600		11.52		\$144

## GREEN STUF & QUIET STUF

Designed to provide safe thermal and acoustic benefits to the Australian homeowner. **GreenStuf Batts** are 100% polyester. They are allergy free, non-toxic, fire safe and vermin resistant. Ideal for use in walls and ceilings for domestic and commercial applications and they meet the new standards from the Building Code of Australia (BCA)

BATT SIZE (mm)	"R" VALUES	M <sup>2</sup> PER PACK	PRICE PER M <sup>2</sup>	RRP
